

COLLABORATORS

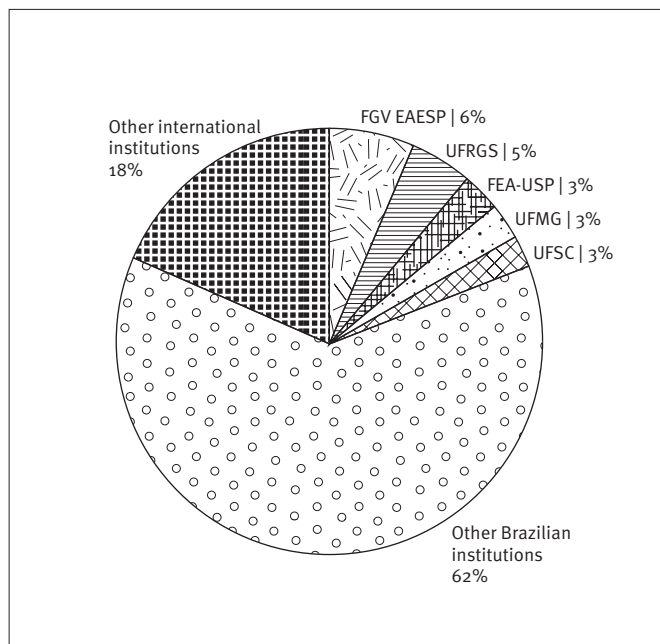

RAE would like to thank all those researchers who used their time, experience, and wisdom to develop the articles they submitted. This voluntary work was fundamental for improving our texts and made an important contribution to Brazilian academia in Administration. Between January and December 2021, 468 collaborators contributed; their names can be found starting on this page. Our special thanks to all of them!

The geographic diversity of the scientific editorial body and *ad hoc* assessors

N° = 468 collaborators

The institutional diversity of the scientific editorial body and *ad hoc* assessors

N° = 468 collaborators
