

Call for papers: *Submit your research*

RAE-Revista de Administração de Empresas invites submissions of original research papers for publication in our esteemed journal. As a leading platform in the field of administration and management, RAE offers a range of benefits to authors:

 **High Visibility and Global Exposure:** Your research will reach a diverse international audience, spanning various disciplines and sectors.

 **Multidisciplinary Audience:** RAE attracts readers from diverse backgrounds, fostering cross-pollination of ideas and perspectives.

 **Fast Publication:** We prioritize efficient publication processes, ensuring that your research is disseminated in a timely manner.

 **Diligent and Rigorous Peer Review:** Your work will undergo thorough evaluation by experts in the field, maintaining the highest standards of academic integrity.

We welcome submissions that contribute to advancing knowledge and practice in the field of strategy, operations, marketing, finance, information technology, and people management; as well as emerging fields, which eventually cross over to established fields such as sustainability, entrepreneurship, digitization, and data science.

Join us in shaping the future of administration and management research by submitting your paper to RAE-Revista de Administração de Empresas today!
