Corrigendum

There was a mistake in the name of our associate editor that appeared on the second cover of volumes 8, no. 4, and 9, nos. 1 and 2. The correct spelling of his name is Márcio Poletti Laurini.

The order in which the names of the authors of the article titled “Determinants of Price Stabilization in IPOs”, published in volume 8, no. 4, appears reversed in the summary and back cover. The correct order is Antonio Gledson de Carvalho and Douglas Beserra Pinheiro.

The professional affiliation of authors Graziela Fortunato and Arilton Teixeira of the article “The interaction of advertising expenses with business cycles and firm value: an empirical analysis with US companies”, published in volume 8, no. 3, appears as “Fucape Business School, São Paulo” while it should be “Fucape Business School, Vitória, ES”.

The correct professional affiliations of reviewers Abu Jalal and Rodrigo Zeidan are University of Suffolk, Boston, MA, USA and University of Nottingham Ningbo, Ningbo, China, respectively, and not those that appeared on the editorial report published in volume 9, no. 1.
